

RISC-V Summit Europe 2024 Sponsorships

Andrew Moore, RISC-V International

RISC-V Summit Europe

RISC-V Summit Europe will take place June 24-28, 2024 in Munich, bringing together developers, architects, technical decision and policy makers from across the European RISC-V ecosystem.

Attendees from academia, research, SMEs, industry and open source communities will gather to discuss the technologies, innovation and research shaping the future of RISC-V computing, in applications such as Automotive, High Performance Computing, AI, and Security.

Monday 24th

Technical Working Group Meetings

Tuesday 25th

Wednesday 26th

Thursday 27th

Keynotes, panels, presentations
Poster sessions
Industrial & Scientific exhibition

Friday 28th

Workshops

Visit the event website: <https://riscv-europe.org/>

Why Sponsor RISC-V Summit Europe?

- Targeting 700+ attendees
- Munich is a critical center for industry in Europe
- In 2023, at first RISC-V Summit Europe in Barcelona
 - Over 500 visitors
 - More than 40 sessions from industry and academic representatives
 - Subjects including aerospace, AI/ML, automotive, data center, embedded, HPC, security, and more
- Europe is a key market for RISC-V adoption and ecosystem momentum.
- Europe makes up more than a third of RISC-V International's global membership
- Europe is home to some of the most innovative companies, universities, government & research entities, evangelists and engineers.
